FLORIDA LEGISLATURE POP QUIZ

How does HJR1013 (THE ANTI-WORKER PLAN)
MISLEAD THE PUBLIC?

ANSWER: The right to cast a secret ballot in federal, state and local elections is already guaranteed and protected in the Florida Constitution.

THE CONSTITUTION OF THE STATE OF FLORIDA, ARTICLE VI, SECTION 1.
Regulation of elections. All elections by the people shall be by direct and secret vote.

- Under Article VI, Section 1, the right to cast a secret ballot in federal, state and local elections is already guaranteed and protected.
- House Republican Leader Adam Hasner's House Joint Resolution 1013 is **not about the protection of secret ballots at the voting booth.**
- Floridians cherish their right to cast their vote in secret. That's why the Constitution preserves and protects Floridians privacy to cast their vote by a secret ballot.
- HJR 1013 distracts from the Legislature's biggest task: improving the state's economy, protecting school children and teachers from funding cares, and ensuring better health care for more Floridians.
